BOOK SYNOPSIS

Complete and unabridged, Don Quixote is the epic tale of the man from La Mancha and his faithful squire, Sancho Panza. Their picaresque adventures in the world of seventeenth-century Spain form the basis of one of the great treasures of Western literature. In a new translation that “comes closest, among the modern translations, to the simple, intimate, direct style that characterizes Cervantes’ narrative,”* Don Quixote is a novel that is both immortal satire of an outdated chivalric code and a biting portrayal of an age in which nobility was a form of madness. *John J. Allen, Professor Emeritus of Spanish, University of Kentucky and Past President of the Cervantes Society of America

DON QUIXOTE PENGUIN CLASSICS - Are you looking for Ebook Don Quixote Penguin Classics ? You will be glad to know that right now Don Quixote Penguin Classics is available on our online library.
