BOOK SYNOPSIS

by Robert Davies This handbook contains all the information a driver needs when going abroad. Presented in a colourful, easy-to-follow format, it includes details on local rules and regulations, driving techniques, car preparation, documents, insurance and road safety. An extensive section gives country by country advice for Europe, North America and Australasia, as well as general information for Asia, Africa and Central America. This third edition has been updated with new images and also covers all current legal requirements, including information on the use of reflective jackets in some countries. If motoring forms any part of your holiday, then this should be in your glovebox Daily Telegraph
