BOOK SYNOPSIS

Literature and the Writing Process combines the best elements of a literature anthology with those of a handbook to guide students through the interrelated process of analytical reading and critical writing. Text writing assignments use literature as a tool of critical thought, a method for analysis, and a way of communicating ideas. This approach emphasizes writing as the focus of the book with literature as the means to write effectively. A four-part organization combines a literary anthology with composition instruction and a style handbook so students have everything they need at their fingertips. 0321851005 / 9780321851000 Literature and the Writing Process with NEW MyLiteratureLab -- Access Card Package Package consists of 0205883583 / 9780205883585 NEW MyLiteratureLab - - Valuepack Access Card 0205902278 / 9780205902279 Literature and the Writing Process
